# SCHOLARSHIP

As a sister of alpha Kappa Delta Phi, we all know our sorority’s significant emphasis on scholarship. Now, as alumnae, we can continue to support this component of our organization’s purpose. On behalf of the National Alumnae Association, the National Alumnae Board would like to encourage and reward academic excellence with the  $\alpha$ K $\Delta$  $\Phi$  National Alumnae Scholarship. At the 2009 convention, we finally raised enough money to give out two active scholarships and two alumna scholarships totaling in \$1,200.

Please accept our invitation to contribute to the successful future of exemplary sisters who continue to uphold the standards and integrity of alpha Kappa Delta Phi.

Contribution Levels:

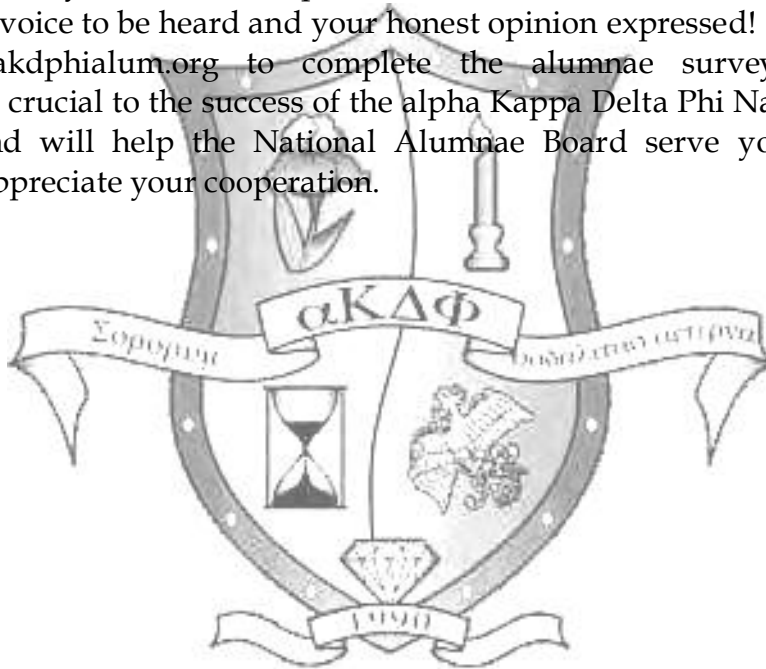

Hourglass	Up to \$24
Iris	\$25 to \$49
Diamond	\$50 to \$99
Phoenix	\$100 and up

# ALUMNAE SURVEY

As part of an alumna, we would love your comments and suggestions on the association. The survey we have included on our website takes little time to complete and does not need your membership in the Alumnae Association to participate; we just want your voice to be heard and your honest opinion expressed!

Please visit [akdphialum.org](http://akdphialum.org) to complete the alumnae survey. Your active participation is crucial to the success of the alpha Kappa Delta Phi National Alumnae Association and will help the National Alumnae Board serve you to its fullest capacity. We appreciate your cooperation.
